FOCUSING ON EMERGING & TRANSBOUNDARY INFECTIOUS DISEASES

SAVE THE DATE

Manhattan, Kansas, USA

WWW.ZOONOSES-CONFERENCES.COM

May 7-10, 2017

The 8th International Conference on Emerging Zoonoses in Kansas follows seven successful conferences, each of which provided an interdisciplinary forum for physicians, veterinarians, epidemiologists, immunologists, virologists, microbiologists, public health experts and others concerned with the ever increasing problems associated with the transmission of infectious diseases from animals to humans and the economic impact of transboundary diseases.

Conference Co-Chairs

Heinz
Feldmann

Jürgen A.
Richt
