It is our great pleasure to invite you to the

15th EPIZONE Annual Meeting

EPIZONE European Research Group (ERG) is the **international network of veterinary research institutes** working on **epizootic animal diseases**, including **zoonoses**.

The theme of the 15th Annual Meeting will be '**New perspectives for the new era**', referring to the post –COVID time, when everything seems to be different in the world, and the aim of **EPIZONE 2023** is to point out what are important issues within the field of epizootic diseases research and control today.

The meeting will be held from the **26-28th April, 2023 in Novi Sad, Serbia**, hosted by the **Scientific Veterinary Institute 'Novi Sad'**, the Serbian National Research Institute for Animal Health.

As usual, the meeting shall bring together an **outstanding and diverse group of experts** from basic to applied science in order to **encourage scientific exchange** and to **establish new contacts and collaborations**. Also, the **Young EPIZONE group** will organize an attractive program for **young scientists in the field of epizootic diseases**.

The venue will be the '**Master Congress Center**' of Novi Sad Fair (<https://sajam.net/en/about-us>) in the wider **city center of Novi Sad**. The city of Novi Sad is a **multicultural town with rich history** and being the European Capital of Culture in 2022 has a lot to offer to our participants. It will be a great place for people of EPIZONE to **create new connections and revive old relationships and collaborations among participants**. We are looking forward to hosting you in our beautiful city on the river Danube and **welcoming you in Novi Sad in April 2023!**

Terms of agreement

Legal notice:

In case some divergence appears in the application or the interpretation of this agreement, the parts undergo, expressly, to the courts of the city of Novi Sad, renouncing to its own jurisdiction if it were different.

Contract termination:

If, due to circumstances beyond our control, the Conference cannot be held at the aforementioned venue or at any other site, the sponsors will not carry out any legal action against the organisers; the amounts paid on account will be returned to them minus the part corresponding to the general costs generated at the time of cancelling the Congress.

Cancellation of collaborations:

If, due to any circumstances you decide to cancel the collaboration, a 50% will be retained if you inform the Technical Secretariat by email before the 15th of March 2023. No devolution will be done after that date.
